

COLLEGE DEMOCRATS AT THE CITADEL

Rebuilding

Our hiatus officially ended during the 24-25SY, and this time we are here to stay.

Guest Speaker: Clay Middleton

Who Are We?

The College Democrats at the Citadel is a mighty bastion dedicated to promoting liberal values on The Citadel campus.

No group has more passion or greater perseverance as we work tirelessly to advocate for social justice and civic engagement, organizing events and fostering dialogue. We invite you to join the 40+ cadets as we endeavor to build the ground floor for a new and brighter Carolina.
